## DAN STUART AGAIN

Bob Up, and is Said to be Back of a Scheme to Pull Off Big Fights at Carson City—His Trip to Nevada.

CHICAGO, Dec. 27.—Dan A. Stuart, the Texas sport promoter, who successfully brought off the Fitzsimmons-Corbett fight at Carson City, passed through Chicago to-day en route to Carson City. The Inter Ocean to-morrow will say: "It is known that Stuart has another fight arranged in his bonnet, but he would not commit himself on this point. The big arena in which Corbett and Fitzsimmons fought their famous battle still stands, within the fair grounds enclosure and the personnel of the organization back of Stuart is still intact. Since the repeal of the Horton law, in New York, the passing of Alderman Patterson's resolution, in Chicago, the ring fatality in Philadelphia, to say nothing of the hazards which beset the Cincinnati situation, Stuart appears to hold the key to the situation. That his purpose in going to Nevada is to bring about another big fight, now looks certain."

## POSTPONED A DAY

Was the Meeting for the Organization of American League No. 2. — No Conflicting Schedules.

CHICAGO, Dec. 27.—No definite organization was accomplished this afternoon by the base ball men who came to Chicago to promote the American League No. 2. The standard of salaries, by-laws and general lines of the final organization were discussed, but a telegram from Manning, of Kansas City, saying he would be here with his representative early to-morrow, caused the magnates to postpone final action until his arrival.

Ban Johnson, president of the American League, spent the day with the minor league men, giving advice and keeping things moving along smoothly. It is the intention to have non-conflicting schedules in all cities where the American League has two clubs, or where the American has but one, and the new Western league a club.

## SPORTING COMMENT.

A record of a remarkable leap and a daring piece of horsemanship comes from New South Wales. Some years ago Adam Lindsay Gordon made a wonderful leap on the banks of the Blue Lake Mount Gambier, and October 23, L. A. Skuthorpe, son of J. R. Skuthorpe, of Moree, duplicated the feat. He rode the hunter Wallace, and had a run of twenty-four feet on a macadamized road to a three-railed fence of a height of four feet three inches, with a gutter on the landing side was ten feet; then there was a precipitous fall to the lake below of about 250 feet. The horse stopped in a stride on landing amidst the greatest excitement. The slightest mistake on the part of the horse or rider would have led to serious injury, if not to certain death. Skuthorpe is a professional horse trainer, and probably undertook the wonderful but foolhardy feat as more or less of an advertisement. It is the second time it has been accomplished.

Tenny has been leased by D. T. Pulsifer, 107 E. C. Duffy, of Harris county, Ky., to be used in the stud. Tenny has sired some good horses, among whom are David Tenny, Miss Tenny (whose career was cut short by an accident), David II (at 2, 3 and 4 in England), The Chamberlain, Tension, Tenorio, Ten Pins, Cherries, Tenny Belle, Tennis Girl, Gertrude Elliott, Gibson Girl, Chelmsford, Panama, Colonel Tenny, Tender, Tenby, Commerce and a number of others that have earned brackets. Duffy is the man who developed Himmler, Aylar and other good horses.

The famous gray trotter Dandy Jim, 2:09 1/2, has changed hands five times within seven months and four times in as many weeks. Last spring he was purchased at the Village Farm sale by John M. Hall, a leading lawyer of Buffalo, who is an enthusiastic roadster. A few weeks ago Mr. Hall sold the old campaigner to Mr. Specht, of Lockport, who in turn sold him to Mr. Burke, now Mr. Burke has disposed of him to Mr. Deasey, also of Lockport, who enjoys the distinction of owning the fastest nag in Niagara county, New York.

"I have used Ayer's Hair Vigor for thirty years and I do not think there is anything equal to it for a hair dressing." — J. A. GRUENFELDER, Grant-ford, Ill., June 8, 1899.
